

We are extremely pleased to announce a special edition of Art Battle at RAW!

RAW: London's 9th Showcase Festival will happen on Thursday 16th April at 93 Feet East.

Experience live creation of art in the heart of Brick Lane!

Two artists will be given a blank canvas, courtesy of Cass Art, and will have half an hour to create artworks on a given theme in whatever medium and style they wish.

RAW:London offers artFix audience tickets at a reduced price (£7.50) to come to the show. The Showcase is a fun, high-energy mini festival where artists can connect with other artists, industry professionals and press.

To claim your discounted ticket, please RSVP by Tuesday, 14th April, at olga@artfixlondon.com and we'll make sure to add you to the list.

RAW: natural born artists was started in 2009 in LA and now operates in over 60 cities across the U.S., Australia, Canada, and London. Every other month RAW hosts a Showcase featuring live fashion shows, a pop up art gallery, live music, performance art, films, accessories designers, and the work of hair and makeup artists.

About artFix

artFix is a London-based social enterprise with a strong mission: to make arts fun, affordable and open to everyone, anywhere and anytime.

Drop in and enjoy a fix of art in an easy, affordable and fun way. The store displays both digital and physical artistic content from both visual and performing arts, giving visitors a taste of the arts from across the world. The space is also used for art classes, educational workshops and private hire events, bringing a creative space to local communities. By making arts accessible and available to a wide range of audiences, the artFix store functions as a taster device and marketing tool for cultural organisations and independent artists.
